Wish I Could Help

~Wish I Could Help~
>
>I was so upset
>And didn't know what to do
>But that didn't give the right
>To put you through
>
The pain and the suffering
>
That I made you endure
>
To not know who you are
>
Not know what life is for
>
>And to cause you such fear
>And make you feel so alone
>So you didn't know who you were
>Or what friends were your own
>
To make you forget
>
How to live and to fight
>
So that you looked so scared
>
Didn't know what was right
>
>And then when you saw me
>And didn't know I was your friend
>And I was told to leave
>So that you could spend
>
Your life without us
>
And all the hardship we caused you
>
So that you could be normal
>
And start a new
>
>And so with my head low
>I left you behind

>Hoping and praying
>That someday you would find
>
That your not so alone
>
And I didn't mean what I did
>
And that I know it's my fault
>
That you almost didn't live
>
>And I'm just so sorry
>And I hope you can forgive me
>And I hope that you remember
>Cause I want you to see
>
That I am your friend
>
And your friend I will stay
>
I just wish that I could
>
Help you find the way.
